Communication skills

- good communication skills acquired during project presentations
- team-work: ever since I started my bachelor degree, I have been working in teams of 3-4 people for most of our school projects.

Organisational / managerial skills

- having to work in teams made me become accustomed to being responsible for the outcomes of our projects as well as to organizing the workload, identifying possible limitations and overcoming them as much as possible.

Computer skills

- competent with most Microsoft Office programs

Other skills

- graphic drawing
